We deliver high-value, tailored global sourcing solutions.

REDUCE TOTAL COST

International capital and tooling costs are often a fraction of domestic costs, making more dollars and sense for your business.

IMPROVE DELIVERY

With nearly no logistical delays and more than a month of inventory in our local warehouse, our deliveries are 100% on time.

LOCATE RAW MATERIAL (METALS)

We have strategic relationships with mills worldwide, allowing almost unlimited volumes with short lead times.

IDENTIFY LABOR SOLUTIONS

By helping you outsource around the globe, we can reduce labor demands in tight markets.

MANAGE VALUE-ADDED ACTIVITIES

Our project managers can assist with all aspects of your sourcing solutions to ensure smooth delivery.

REDUCE RELIANCE ON CHINA

We can help reduce your dependence on China while providing improved value and lower costs.

EXPAND CAPACITY

Through our network of warehousing solutions, we can assist in expanding your capacity.

IMPROVE PRODUCT DESIGN

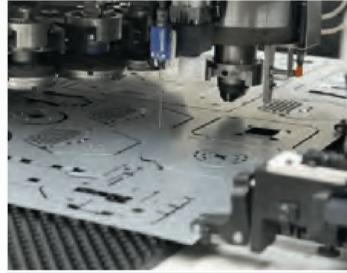

With extensive engineering expertise, we can help identify improvements to your product design.
